

A close-up photograph of two elderly hands, one on the left and one on the right, holding a vibrant red fabric. The hands are wrinkled and aged, suggesting a long life. The red fabric is held taut, and its texture is visible. In the background, a white fabric with a green section is visible, likely representing the Italian flag. The lighting is soft, highlighting the texture of the skin and the fabric.

**25 aprile
... e insieme
ricostruirono
la Patria**
